

## **All Saints' PTA Conflict of Interest Policy**

As the committee members and trustees of this PTA, we understand that it is our duty to make decisions that are in the best interests of the PTA. We know that where any of us hold a personal or other interest, this will stop us from achieving this duty and acting in the best interests of our PTA.

Our PTA committee takes the following steps to identify and deal with any conflicts of interest:

1. We make all new committee members aware of this policy and the advice on conflicts of interest from PTA UK (attached) and the Charity Commission for England and Wales (by providing them the link to the following web page; <https://www.gov.uk/government/publications/conflicts-of-interest-a-guide-for-charity-trustees-cc29>).
2. We ask all committee members to declare any conflict of interest:
  - a. when they are newly appointed,
  - b. at the start of every committee meeting and, in addition to this,
  - c. whenever a committee member becomes aware of the possibility of a conflict of interest.

This is usually noted in the committee meeting minutes and then used to update a separate register of conflicts of interest. This is available to all our committee members and parents/carers via the PTA section of the school website.

3. In line with clause 9.3 in our constitution, any committee member with an identified conflict, is asked to withdraw from any discussion of and/or vote on that issue.
4. Where conflicts of interest arise, we detail in the minutes of the committee meeting how this is addressed.

5. Our PTA works to encourage a good mix of parents and staff from across the school to get involved in our PTA. This stops any one part of the school from being overly represented.
  
6. Where decisions may favour one year group, subject area or particular aspect of the school over others, we ensure that:
  - a. We have specifically consulted (i.e.: with the school, parents and pupils) to ensure this is appropriate; and/or
  - b. Over a period of time, we ensure that all aspects of the school benefit and that this benefit is close to being equal.
  
7. We review this policy annually (in advance of our AGM) and make it available to our members so they understand how the committee is operating in the best interests of the PTA.
