

# All Saints' C of E Primary School — May 2016

The winning entry to the school council photo competition.  
Congratulations to Jessica Bragg  
in 6W

## Yr 3/4

The children are enthusiastically investigating factors which affect plant growth and how plants function. They are growing a range of flowers, fruits and vegetables as part of their investigation work.

## Yr 1/2

2B had great fun searching for mini beasts when they went out on a mini beast hunt in the school grounds.

KS1 also spent an afternoon at All Saints' Church doing workshops to learn about the different parts of the church.

## ILKLEY CARNIVAL

All the massive effort involved to create this years' carnival was all worthwhile with All Saints, winning best school and best in show for the third year running

**Foundation** had their School Trip to Nell Bank last week. They had a great day pond dipping, searching for mini beasts, going on a bear hunt and getting wet in the water park.

**Linking Schools** The children in 4B welcomed their Linking Partner school Cophthorne and had a fun day working together creating a journey stick.

## Great British Bake Off—Year 6

Well done to all who took part , they were all amazingly tasty and incredibly creative.
