

All Saints' C of E Primary School—July 2016

We wish to say a great big thank you to the PTA for their very generous donation of funds to update the library system and stock the library with some new books. Mrs Brown has had the pleasure of choosing the books and knows the children will not only benefit greatly from the books but also have fun reading them..

Yr 3/4 enjoyed a fantastic day at Harlow Carr Botanical Gardens in Harrogate. Our learning was led by the experts from the RHS.

Yr 3/4 Linking Schools Project—4B visited Copthorne at the end of June.

Year 1/2 visited The Yorkshire Wildlife Park. They took part in a work-shop which included them having the opportunity to hold some weird and wonderful creatures. The children loved exploring the different areas of the park and learnt a great deal. The children behaved wonderfully as always and were a credit to our school! Well done everyone! They made it a very special and educational day!

Yr 3/4 preparing a healthy French meal as part of our DT & French Topic.

We were very lucky to have a visit from our friend Bishop Ivan, he told us about how the money we have raised in school helped his school in Uganda. We always have a great time when Bishop Ivan comes into school and the children loved singing songs and learning new Ugandan words.

The Yr 5/6 Production—
