All Saints' CE Primary School, Single Equalities Policy

This policy outlines the commitment of the staff, pupils and Governing Body of All Saints' CE Primary School to ensure that equality of opportunity is available to all members of the school community. For our school this means not simply treating everybody the same but understanding and tackling the different barriers which could lead to unequal outcomes for different groups of pupils in school, whilst celebrating and valuing the achievements and strengths of all members of the school community.

The school community includes:

Pupils
Staff
Parents/carers
The Governing Body
Multi-agency staff linked to the school
Visitors to School
Volunteers and students on placement
2 Valleys Learning Collaboration
Eden Teaching School Alliance

At All Saints' CE Primary School equality is a key principle for treating all people fairly and creating a society in which everyone has the opportunity to fulfil their potential - irrespective of their gender, ethnicity, disability, religion or belief, sexual orientation, age or any other recognised area of discrimination.

We believe that equality at our school should permeate all aspects of school life and is the responsibility of every member of the school and wider community. Every member of the school community should feel safe, secure, valued and of equal worth. As a school, we pride ourselves on our inclusive ethos, Christian values and community involvement. We engage in many activities to raise pupils' awareness of a diverse and ever-changing world such as the Linking Schools project, The Life Bus, Moving On and Scripture Union events for transition and link with Revival Centre in Matugga.

Monitoring and Review

All Saints' CE Primary School is an inclusive school, working towards greater equality in the whole school community. We use the curriculum and teaching to enhance the self-esteem of all those we serve and to provide a learning environment in which each individual is

All Saints' CE Primary School, Single Equalities Policy

encouraged to fulfil their potential. We collect and analyse a range of equality information for our pupils/students:

- We make regular assessments of pupils' learning and use this information to track pupils' progress, as they move through the school. As part of this process, we regularly monitor the performance of different groups, to ensure that all groups of pupils are making the best possible progress. We use this information to adjust future teaching and learning plans, as necessary.
- Resources are available to support groups of pupils where the information suggests that progress is not as good as it should be. The Governing Body receives regular updates on pupil performance information.
- School performance information is compared to national data and local authority data, to ensure that pupils are making appropriate progress when compared to all schools, and to schools in similar circumstances.

As well as monitoring pupil performance information, the senior leadership team also regularly monitors a range of other information.

This relates to:

- Attendance
- Exclusions and truancy
- Racism, disability, sexism, homophobia and all forms of bullying
- Participation in extended learning opportunities

Our monitoring activities enable us to identify any differences in pupil performance and provide specific support as required, including pastoral support. This allows us to take appropriate action to meet the needs of specific groups in order to make necessary improvements. All Saints' CE Primary School is also committed to providing a working environment free from discrimination, bullying, harassment and victimisation. We aim to recruit an appropriately qualified workforce and establish a Governing Body that is representative of all sections of the community in order to respect and respond to the diverse needs of our population.
