

2019 - 2020

Teacher Training Programme of Study

Ilkley All Saints' Teacher Training Partnership
School Direct PGCE Primary

The information below outlines the training timetable for the year. The majority of the training will be delivered at All Saints' Primary School or one of our partner schools by school-based staff. David Snowden will deliver the Professional Studies element of the training from Leeds Trinity.

The training is not designed to be exhaustive and all-encompassing, rather a practical and supportive review of key content and statutory guidance. The nature of a School Direct PGCE ensures that your knowledge, skills and understanding will develop during the school-based placements. As the course progresses and your own strengths and areas for development start to emerge, we are keen to personalise additional support where you feel necessary.

We are committed to reducing unnecessary workload as promoted by the Department for Education. We are keen to make sure that our training sessions promote effective and efficient teaching and learning strategies that encourage a healthy and sustainable work-life balance. There are times throughout the year when workload increases due to the nature of the course; if you need further support in this area, please contact Chris Whitehead.

Key Information

- Start times can be variable and determined by the trainer. If no information is provided by the trainer, the times will be as follows:
 - 9.00am – 12.00 / 12.30 depending if the training is split site
 - 1.15pm – 3.30pm
- Please check your placement school for school closures and staff inset as these differ from one school to another.
- Dates are unlikely to change though there might be instances where the dates of some sessions will change within the year.
- As we intend to make this course as bespoke as possible, please let me know if you require additional training in any areas.

Week Commencing: 2nd September 2019

Key Information for the Week:	Monday 2nd September: Welcome to the start of the PGCE Primary Course
	Stage 1 Starts

Stage 1	Session	Venue	Delivered
