Alternative 'g'

ground  
garden  
growing  
magic  
giant  
orange  
today  
too

This week you will be learning the alternative 'g' sound. You already know the letter 'g' can make the hard 'g' sound in 'ground', 'garden' and 'growing'. Do you know what other sound a letter 'g' can make?

It can also make the soft 'g' sound! For example, in 'magic', 'giant' and 'orange'. Can you use these words in a sentence? How many words are in your sentence? Can you clap the words as you say your sentence? Can you think of any other words that have the soft 'g' sound?

You also have 2 tricky words in your spellings to practise this week, 'today' and 'too'. If you would like some more information on 'tricky words', there is some useful information on the page below.
