

# Dinosaur Research

Use books and the internet to find out as much as you can about a dinosaur of your choice.

What did the dinosaur eat and how did it get its food?

---

---

---

---

---

How did it defend itself and/or attack other animals?

---

---

---

---

---

---

What does your dinosaur look like?

---

---

---

---

---

---

---

---

Name

---

Size

---

When it lived

---

Where found

---

What is special about the dinosaur?

---

---

---

---
