

Hello

This is an SOS!

*I hope someone finds my
message in a bottle!*

*I have been marooned on
this desert island for 6
months without seeing
anyone.*

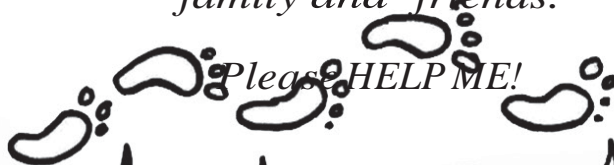

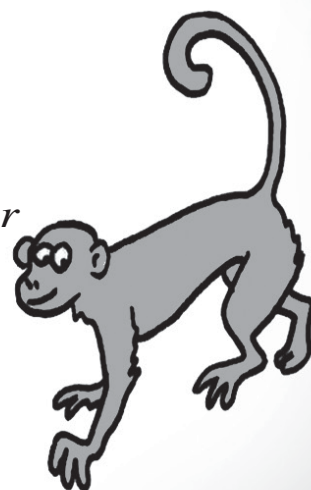

*I keep busy building my
shelter, searching for food
and fresh water and finding
out about the animals and
plants.*

*It is cool at night and hot
during the day.*

*I have even made some
musical instruments to cheer
me up.*

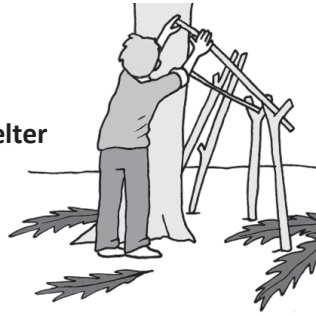

*But I am lonely and miss my
family and friends.*

Please HELP ME!
