

	English	Phonics	Maths	Theme – to be completed over the three days as appropriate to you.
Wednesday	<p>Brain storm your best parts of the holiday and complete the mind map attached.</p> <p>Think about what you did, who was there, when you did it, where you were and why it was your favourite part.</p>	<p>https://www.phonicsplay.co.uk/</p> <p>Click resources - Dragons Den -Phase 3 – start – Phase 3 – Revise All (scroll down below all the digraphs)</p> <p><i>Repeat several times as the order will repeat with different digraphs.</i></p> <p><i>The children are used to using this in school and you can access all free resources as you wish.</i></p>	<p>Make two of your own tens frames. You will need paper/card and 20 counters/coins/small stones etc. Example below:</p>  <p>Be the teacher and show someone else how to use your equipment to make some numbers to 20 or number bonds to 10. (e.g. any two numbers which make 10).</p>	<p>Using the United Kingdom Map, choose four colours and colour in each country of the UK in a different colour. You can use felt tips, pencil crayons, paints or collage. Label each country. Can you remember where to use capital letters?</p> <p>Use an Atlas or Google Maps, find Ilkley and mark it with a cross on your sheet.</p> <p>Talk about and find capital cities.</p> <p>Extension: Locate and talk about where you have been in the UK.</p> <p><i>Keep this sheet for when you receive your home learning book from school.</i></p>
Thursday	<p>Create a little booklet showing your four favourite Christmas activities. Today draw/stick pictures of 2 activities. Then write a sentence about those experiences.</p>	<p>Alternative er Sheet: Find the attachment sheet.</p> <p>To sort and write the alternative ir or er ur words into the correct places.</p> <p><i>Keep this sheet for when you receive your home learning book from school.</i></p>	<p>www.topmarks.co.uk/learning-to-count/helicopter-rescue</p> <p>Start with Direct number 1-20. Listen to the lady. Find the number. Make the number on your tens frame before the boy is collected by the helicopter each time.</p>	
Friday	<p>Repeat yesterdays with adding 2 more events.</p>	<p>Use some of the ir, ur, er, or, words to write some funny sentences in your book that will make us smile!</p>	<p>https://www.topmarks.co.uk/learning-to-count/place-value-basketball</p> <p>http://www.ictgames.com/sharkNumbers/mobile/index.html</p> <p>Can you create your numbers on your tens frame?</p>
