

Year 2 weekly plan

W/B 6th January 2021

	English	Maths
Wednesday	<p>Spelling dictation (see download sheet) Read the passage a sentence at a time to your child for them to copy into their blue spelling book. The passage incorporates the weekly spellings and other high frequency words.</p> <p>Holiday writing – tell us what you did over Christmas. What did Santa bring you? What was your favourite present? How was Christmas Day? What did you eat? Did you play any games, watch any Christmas movies? Did you go on any nice walks?</p> <p>Make sure you write in sentences (with capital letters and full stops) and use interesting expanded noun phrases (e.g a huge turkey). Don't forget to join your handwriting.</p>	<p>Make equal groups</p> <p>Watch the white Rose Maths Video - complete the accompanying activity sheet.</p> <p>https://vimeo.com/488108584</p>
Thursday	<p>All about Winter Look at the pictures of winter. What can you see? Add as many nouns, adjectives and verbs as you can. Add some of your own too. Try thinking of onomatopoeic words to describe the wintry scene. Complete the sheet by creating your own expanded noun phrases.</p> <p>Parent help (see how much your child can remember first) noun – person, place or thing(something you can see or touch) – snow, sledge adjective – a word to describe the noun – glistening, icy, white verb – an action (doing) word – build, throw, falling expanded noun phrase – the icy snowflake – a frosty fence onomatopoeia is when a word sounds like the noise or sound it describes - crunch</p>	<p>Add equal groups</p> <p>Watch the white Rose Maths Video - complete the accompanying activity sheet.</p> <p>https://vimeo.com/488110327</p>
Friday	<p>Winter poem/winter sentences Now use your vocabulary from yesterday to create either some interesting sentences or a poem about winter.</p> <p>A good sentence e.g – The lonely snowman gazed across the white blanket of snow.</p> <p>Poem idea(it doesn't have to rhyme) Glittering icicles hang from the snowy trees, Excited children racing down steep snowy slopes Giggle Crunch,</p>	<p>Multiplication sentences using the x symbol</p> <p>Watch the white Rose Maths Video - complete the accompanying activity sheet.</p> <p>https://vimeo.com/488111269</p>

Theme

Continents of the world

Objective - Name and locate the world's seven continents

Revision - Ask your child what 4 countries make up the U.K. Can they remember the four capitals?

The Seven Continents

Ask your child if they know any continents. Using a map/atlas or globe (if

you have one), show the children the seven continents of the world. There is a map provided.

Watch the power point of the different continents and discuss each one with your child.

Complete the activity sheet labelling the different continents. **The spellings are there for you!!!**

Challenges

1. Can you find the UK particularly Scotland and the Western Isles and Australia?
2. For each continent write down a country that can be found there. Write it near that continent.

Science

Science - Staying Alive

Our science this half term is all about materials. We will be looking at the properties of different materials and how useful they are for certain jobs. We will be looking at and designing shelters. We will be thinking about islands and how we can survive there!

Message in a bottle

Read the message from the bottle. Children to write down a question. What would they like to know about the bottle and the message.

Help children to think about what they would have to do if marooned on a desert island. Use the choice cards and discuss what is happening. What would you do first? Get the children to think about which ones are important

and why? Cut up and put in order of importance.

Choose the five most important and either stick the picture (or be creative and draw own picture). Write a sentence to say why you think that is important.

Wintry Art

For art this week we thought it would be nice to do a winter picture. You can use the ideas below or create your own picture. Use whatever materials you have at home. Enjoy!
