

Wishing everyone a joyous Christmas

I am so delighted that we were able to host all our Christmas Nativities in person, the children thoroughly enjoyed performing to a smiling (and sometimes emotional) audience. I would also like to thank you all for respecting the measures we took to keep everyone safe 😊. Once again, I sincerely hope that 2022 shines brighter for us all.

I would also like to thank the PTA for organising Santa's visit and our Christmas jumper day which the children absolutely loved.

The building works will continue during next week and on our return, to complete the external pathways and the new play area next to the wooded area. Therefore, there will be restricted access at the Westville gate for some time while these works progress. As you will have noticed, the site compound is now based at the side of the Westville gate. Fortunately, we will still be able to have access for drop off and pick up as usual but space will be limited!

I am not sure what the roadmap will look like in January, but suffice to say that the spirit, dedication and "can do" philosophy permeating through our school family will see us through anything. As always, we will keep you informed of any changes to our covid measures as and when needed.

Enjoy this special time together and I look forward to starting 2022 on **Tuesday 4** January.
Please stay safe.

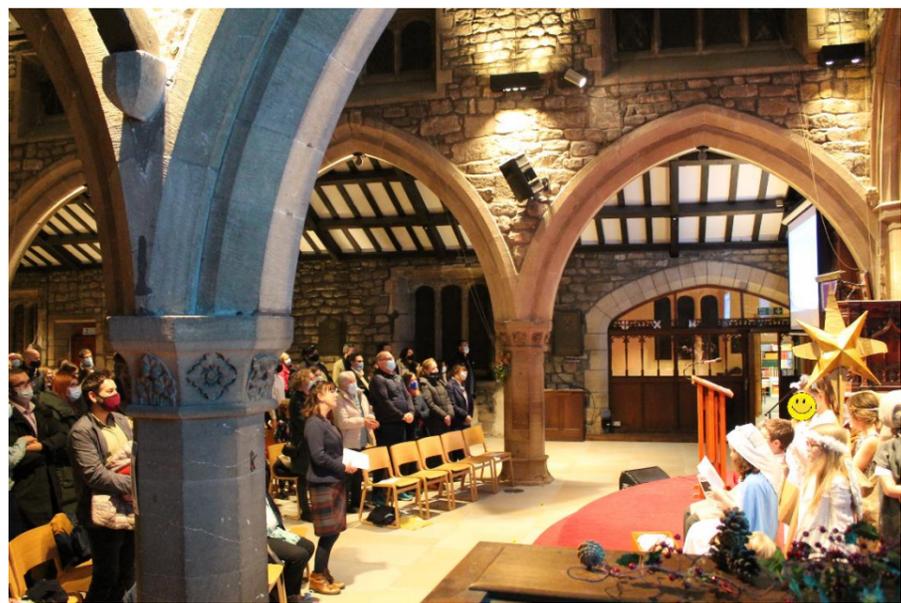

All staff have asked for me to thank you for the kindness and generosity you have shown towards them with cards and gifts this Christmas, they are sincerely humbled and grateful.

Christmas wishes – Mrs M Robinson

Christmas Fun!

- Christmas parties...
- Father Christmas...
- Christmas Lunch...
- Craft activities...
- Victorian Day...
- Nativities...
- Carol concerts...
- And more!

Merry Christmas and a Happy New Year!
