What do we use our body for?

Year 1

Key Vocabulary

Key Knowledge and facts

WORD	DEFINITION
Bones	Bones make up the human body. The smallest bone is in our ear!
Healthy	Being well, not sick or poorly.
Hear	A sense using ears.
Sight	A sense using eyes.
Smell	A sense using your nose.
Taste	A sense using your tongue.
Touch	A sense using fingers, hands and feet.
The Five Senses	The 5 senses help us notice the world around us: seeing, hearing, smelling, tasting and touching.

- ❖ The human body is made up of a skeleton of bones.
- ❖ Our bodies have 5 senses- hear, sight, touch, smell, taste.
- ❖ A doctor can help us take care of our body if we are unwell.
- ❖ You use your ears to hear with, your eyes to see, your fingers, hands and feet to touch, your nose to smell and your tongue to taste.
- ❖ We keep our bodies healthy by exercising, eating the right food and washing our hands and bodies.

Parts of the human body:

What are the five senses of the body?

Hearing	Sight	Touch	Smell	Taste
Ears	Eyes	Fingers, hands, feet	Nose	Tongue
