

History		Victorian Ilkley	Year 3						
Key Vocabulary		Key Knowledge	Key People						
WORD	DEFINITION	<ul style="list-style-type: none">❖ The Victorians were the people who lived in Britain during Queen Victoria's reign from 20 June 1837 until her death on 22 January 1901.❖ During the Victorian period, there was a huge contrast between how the rich Victorians and poor Victorians lived.❖ The Industrial Revolution (the rise of industries, factories, and manufacturing) helped shape Ilkley as merchants slowly began to move to the new, booming spa town.❖ Better transport links, such as trains, helped boost trade by transporting people and goods quickly and cheaply across the country.❖ The construction of the Ilkley train line encouraged Victorians to flock here to bathe in the spa and cold-water springs at White Wells. 	 <p>Queen Victoria was Queen of the United Kingdom from 20 June 1837 until her death in 1901. During her reign, there was a huge contrast between how the rich and poor lived. She led the expansion of the British empire and saw major changes to all aspects of Britain due to exciting discoveries and inventions.</p>						
British Empire	Lands that Britain controlled all over the world (for example; India).		 <p>Robert Collyer was born on December 8th 1823 and died November 30th 1912. He lived and worked in Ilkley as a blacksmith during the Victorian era. He eventually moved to America, where he became an author, and a famous preacher.</p>
