record	writing the measurement of something

Scientific Enquiry

Key Knowledge

This half term we are focusing on scientific method of enquiry and using the following skills:

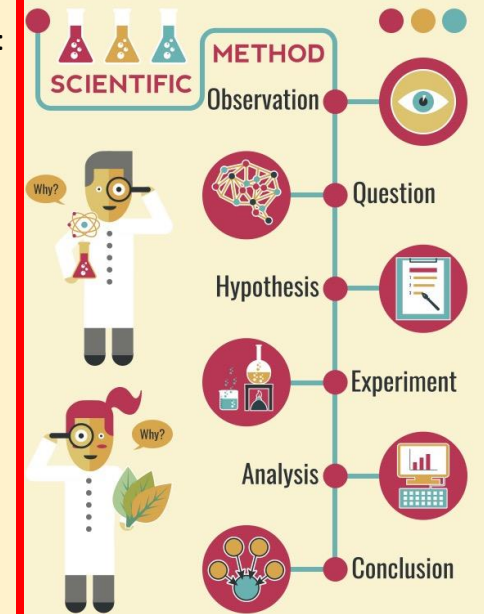

- **Comparative / fair testing**
Changing one variable to see the effect on another, whilst keeping all others the same.

- **Observation over time**
Observing changes that occur over a period of time, ranging from minutes to months

Year 3

Scientific Process

Key Knowledge

- **Problem-solving**
Applying prior scientific knowledge to find answers to problems.

- **Pattern-seeking**
Identifying patterns and looking for relationships in enquiries where variables are difficult to control.

The Ph Scale
