# Year 2 Spellings W.C. 16/11/2026

This week we have been learning about the alphabet and practising putting words into alphabetical order. We do not have any specific spelling words to learn this week. Instead, we would like the children to practise their knowledge of the alphabet by completing the fun challenges below and thinking carefully about words that match their chosen category.

Task 1: Choose a category and see how many letters of the alphabet you can complete.

Examples include:

- Animals
- Foods
- Places
- Names

*Example:* A = ant, B = bear, C = cat...

How many letters can you fill?

Task 2: Alphabetical Order

Put these words into alphabetical order:

- whale, wheel, when, what
- apple, ant, all, arm
- zoo, yellow, kite, frog

Challenge: Write your own four words for someone at home to sort.
